

ST. ALBAN'S 2009 MISSION TRIP

*We need **your** help! Join us in working with the REBUILD Program and the Office of Disaster Response of the Episcopal Diocese of Louisiana to restore homes ravaged by Hurricane Katrina.*

Destination: New Orleans, travelling by van

Date: June 13-21, 2009

Who: Youth and families are welcome; participants under age 16 will need to be accompanied by a parent or guardian.

We need help in many areas, not all construction-related, including:

- ♦ Fundraising
- ♦ Finishing drywall
- ♦ Grocery shopping
- ♦ Laying tile
- ♦ Cooking and cleaning
- ♦ Installing laminate flooring
- ♦ Painting
- ♦ Organizing our “Fun” Day
- ♦ Roofing

Cost: Several fundraisers are underway to help underwrite the cost of the trip; the per-person cost will be less than \$200.

Fun? Absolutely! In addition to new friends, fellowship, and a life-changing experience, the trip will include a free day to explore New Orleans.
